It’s a commemorative day to honor and homage the great Nai Khanom Thom ( a Muay Thai hero for the country from days of the ancient wars and every fighter looks up to him with great respect) and all the ancient teachers who developed Muay Boran into the contemporary Muay Thai, the art of the 8 limbs. This would be an important day for international participants of Muay Thai to touch roots with authentic Muay Thai Origins.

# HOST CITY: BANGKOK - AYUTTHAYA

The Host City of the WMF World Championship 2020, Bangkok, is the capital and the most populous city of Thailand. It is known in Thai as Krung Thep Maha Nakhon. The city occupies 1,568.7 square kilometres (605.7 sq mi) in the Chao Phraya River delta in Central Thailand, and has over 8 million inhabitants, or 12.6% of the country's population. Over 14 million people (22.2 percent) live within the surrounding Bangkok Metropolitan Region, making Bangkok an extreme primate city, dwarfing Thailand's other urban centers in terms of importance.

Bangkok is also one of the world's top tourist destination cities. MasterCard ranked Bangkok as the global top destination city by international visitor arrivals in its Global Destination Cities Index, with 15.98 million projected visitors in 2013. The city is ranked fourth in cross-border spending, with 14.3 billion dollars projected for 2013, after New York, London and Paris.

As for Ayutthaya, or known in Thai as Phra Nakhon Si Ayutthaya, where Nai Kanomthom Day celebrations will be hosted, it is an ancient city about 80 kilometers north of Bangkok. It was capital of the Kingdom of Siam, and a prosperous international trading port, from 1350 until razed by the Burmese in 1767. The ruins of the old city now form the Ayutthaya Historical Park, an archaeological site that contains palaces, Buddhist temples, monasteries and statues. The park is on an island between 3 rivers.
